

MUSC Wound, Ostomy and Continence Nursing presents the 2nd annual:

# Optimizing Care for the Patient with an Ostomy

Saturday, **April 27**, 2019 | 8:00 am to 1:00 pm  
Breakfast & Lunch Provided (first 50 registrants)

Join us for a morning focused on care for the patient with an ostomy. Participants will gain the knowledge and skills needed to provide care for this challenging population.

## Objectives

- Identify Ostomy Types
- Identify Conditions and Surgeries that Lead to an Ostomy
- Understand Anatomy, Physiology and Function of Different Ostomy Types
- Understand Characteristics of Different Ostomy Types
- Identify Pouching Options
- Identify Stoma Complications
- Identify Ostomy Peristomal Skin Complications
- Identify Ostomy Community Resources

## Targeted Clinicians

- Rehab Facility
- Home Health Agency
- Skilled Nursing Facility
- Long Term Care
